MY BEST CONSTRUCTION

CAPABILITY STATEMENT

Finish Carpentry & Millwork

Interior finish carpentry subcontractor, commercial and residential

MY BEST CONSTRUCTION installs casework, millwork, wall panels, trim, doors and hardware for general contractors, business owners and homeowners. Our carpenters work on grocery, retail, restaurant, medical and office interiors, often on night shifts in open stores so the business keeps running.

CORE CAPABILITIES

- Finish carpentry and trim
- Casework and millwork installation
- Wall paneling, including Marlite
- Interior doors, frames and hardware
- Store fixtures and built-ins
- Night and phased work in open stores

MARKETS SERVED

- Grocery and retail stores
- Restaurants
- Veterinary and medical clinics
- Offices and commercial interiors
- Residential interiors

HOW WE WORK WITH GENERAL CONTRACTORS

- Send the bid invite with drawings, specs and due date
- You get a written proposal with scope, clarifications and exclusions
- Certificate of insurance and W-9 sent on request
- One point of contact from submittals to punch list
- Night and weekend shifts available so stores stay open

COMPANY SNAPSHOT

- Licensed Class A contractor, Commercial and Residential
- Insured; certificate of insurance on request
- 8+ years in business
- 200+ projects completed
- One point of contact from bid to final walkthrough
